

# It's Coming ...

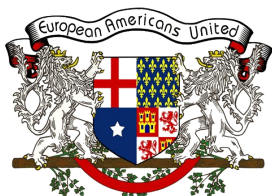

According to a 2008 U.S. Census report, European-Americans will be a MINORITY by the year 2042. BUT -- if current immigration trends and low white birthrates continue, it will happen even SOONER.

Will the new Afro-Chicano Spanish-speaking majority give our beautiful white children and grandchildren the same legal protections, racial preferences and subsidies that Hispanics and African-Americans receive today?

**DON'T BET ON IT.**
